MANAGEMENT TOOLS

- Workflowy - Workflow management app
- Trello - Project Management Site
- Slack - Messaging app for teams

ABOUT ME

A UI/UX designer by passion, I am an undergraduate student at Indian Institute of Technology, Roorkee. Design for me is a constant introspection where I rediscover myself everyday. To have a better control over my work, I design as well as code the frontend templates for my projects.
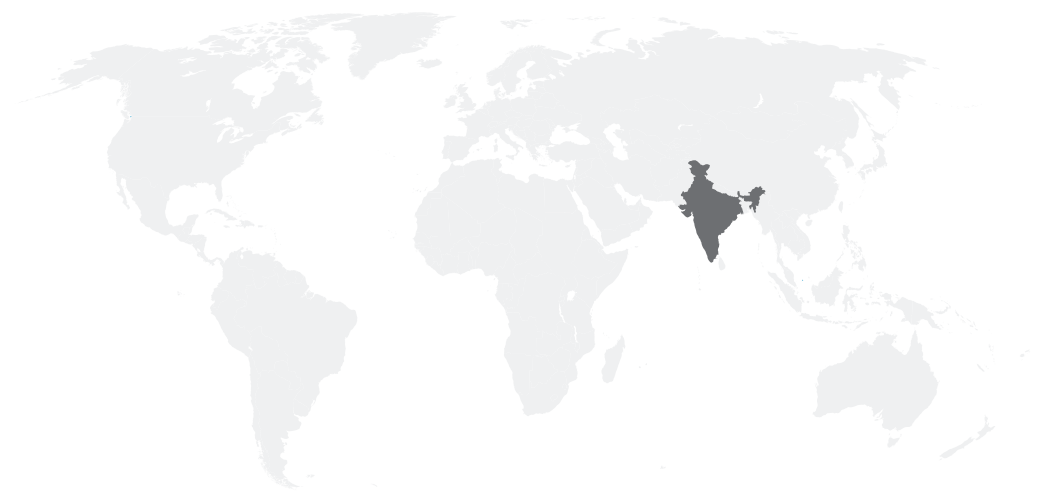

I was born in Punjab (India). So, Punjabi is my mother tongue. Also, I'm fluent in English and Hindi.

ACADEMIC ACHIEVEMENTS

- Ranked 2643 out of 1.4 million students who appeared for Joint Entrance Examination-2013.
- Selected among top 975 students for KVPY 2011 (National Program of Fellowship in Basic Sciences) interview out of 46,795 students all across India.
- City Topper in Central Board of Secondary Education (CBSE) 12th standard examination-2013.
- Awarded Certificate of Merit by CBSE in 10th standard for obtaining A+ in all subjects in 2011.

HOBBIES

Singing, skating and sketching are my favourite pastimes. Other than that, I play piano or flute in my leisure hours.

EXPERIENCE

Project Leader - Information Management Group

At Information Management Group, I work with a team of 50 people to maintain the official website of Indian Institute of Technology Roorkee and to design and develop intranet applications for campus intranet.

Design Head - Geek Gazette

At Geek Gazette, I lead a team of 13 designers to design the technical magazine of Indian Institute of Technology Roorkee every semester. The previous issues can be found on *issuu.com/geekgazette2*

PROJECTS

Buy And Sell Application (Sep '14 - Oct '15)

Designed e-commerce application "Buy and Sell" of IIT Roorkee. Designed the User Flow, User Interface and Visual Design, and developed the front end of this web application.

Industrial Collaboration Application (Jan '16 - Ongoing)

Designed the user interface of the research portal for students of IIT Roorkee to boost interdepartmental research project collaboration. Currently developing the frontend templates of this portal.

IMG Recruitment 2016 Website Design (Nov '15 - Dec '15)

Designed and Developed the website to host the recruitment of Information Management Group, IIT Roorkee.

Forminator Application (Nov '15 - Ongoing)

Designed the User flow and User interface of form creation application for the administrative faculty of IIT Roorkee.

IIT Roorkee Main Website Content Management (Ongoing)

Currently, I manage the templates of various departments and centres in IIT Roorkee's main website through IMG's content management system.
